WORK EXPERIENCE

Act T Connect (11-50 employee IT Services and IT Consulting startup)   Jhansi, Uttar Pradesh

Flutter Developer Intern   June 2024 – July 2024

- Worked on 4 projects in 2 months from June 2024 to July 2024
- Fixed bugs on all the 4 applications
- Implemented Push Notification using Firebase Cloud Messaging and Apple Push Notification.
- Integrated various APIs in all the projects.
- Uploaded 5 applications on Google Play Console.

PROJECTS

Alumni Connect (**Smart India Hackathon 2024 Winning Project**)

- Designed and developed a feature-rich **Alumni Connect App** with networking, mentorship, job boards, and startup pitching functionalities.
- Implemented **news, events, and donation modules**, enhancing alumni engagement and community support.
- **User-friendly Interface**: Designed a simple and intuitive UI to ensure seamless navigation through different sections, enhancing the user experience.

Kabia Travels

- **Android App for Jhansi-based Startup**: A comprehensive travel booking solution for a startup.
- Implemented features for booking flights, trains, buses, and hotels, providing users with a one-stop platform for travel planning.
- Enabled users to explore and customize travel packages, offering flexibility to plan trips according to their preferences.
- Added a specialized feature allowing users to book and plan destination weddings, expanding the app's service offerings.

ACHIEVEMENT

Smart India Hackathon 2024 Winner

- Led a team of 6 to develop the award-winning **Alumni Connect App and Website**, showcasing innovative solutions for alumni networking and engagement.
- Recognized as the **Team Leader**, responsible for project planning, task delegation, and ensuring timely delivery of the solution.
- Delivered impactful presentations across **6 rounds** (3 mentoring and 3 evaluation rounds), effectively communicating the project's vision, progress, and impact to judges and mentors.
